

Schedule: Late June 2013 to Late August 2013

Location: Ninth Street under USH 41, South Memorial Drive and Memorial Lane Intersection near CTH RK, and Lambeau Street

Description: Ninth Street under US 41 work consists of grading, removing and replacing the concrete pavement, curb and gutter, sidewalks, signs, and storm sewer, concrete staining, and pavement marking. Lambeau Street work consists of the removal and placement of an underdrain pipe. South Memorial Drive and Memorial Lane work consists of excavation and grading; removal and replacement of asphalt, pavement, guardrail, signs, and culvert pipes, and pavement marking.

August 12 to August 16: On Ninth Street, the contractor completed miscellaneous cleanup and will be opening the roadway to traffic by the end of the week. On South Memorial Drive, the contractor completed miscellaneous cleanup and opened the roadway to traffic.

Traffic Impacts: Ninth Street under US 41 will be closed to vehicle traffic for the duration of the project. Sidewalk on one side of Ninth Street will remain open to pedestrian traffic at all times. Lambeau Street, near Van Vreede's, will have a shoulder closure for a day during the project. South Memorial Drive and Memorial Lane intersection and Memorial Lane will be closed to both vehicular and pedestrian traffic for the duration of the project.
